**10:30 – 10:40 (MSK)**      **Welcoming remarks**

**10:40 – 12:40 (MSK)**      **Energy Transition for Sustainable Climate (target of Paris Agreement)**

**Chair:** Dmitry Vasilenko, UNECON

- *The need for Realism in Sustainable Scenarios*, Michael Sipos, Independent Expert
- *The Essential Role of CCS to meet the PA Targets: the Case of Germany*, Ralf Dickel, Independent Expert
- *Carbon Neutrality in Central Asian Countries: Different Ways of Energy Transition and Renewable Energy Development*, Aleksey Kobzev, Kazakh-German University (DKU)
- *CCUS Economics, Potential and Perspectives in Russia*, Ekaterina Grushevenko, Project Center for Energy Transition and ESG, Skolkovo Institute of Science and Technology (Skoltech)

**12:40 – 14:00 (MSK)**      **Lunch**

**14:15 – 16:15 (MSK)**      **Energy Transition for Sustainable Climate (target of Paris Agreement)**

- *Power Generation from Municipal Solid Waste*, Andrey Datchenko, VEB.RF Business Block
- *Climate Agenda of Russian Energy Companies in the Changing Environment*, Iana Klmentovichus, UNECON
- *Sustainable Development of City Transport Systems*, Natalia Sarakhanova, UNECON
- *Coal Industry with Decarbonization as a Bridge between New Approaches and Traditional Energy Structure*, Irina Mironova, Mikhail Oshchepkov, ENERPO Research Center, European University at St. Petersburg
- *Low-carbon Development in Russia under the New Conditions*, Alexey Belogoryev, Fund “Institute for Energy and Finance”

**16:15 – 16:45 (MSK)**      **Coffee break**

**16:45 – 18:00 (MSK)**      **Panel discussion**

**Chair:** Ralf Dickel, Independent Expert

- Andrey Datchenko, VEB.RF Business Block

- Ekaterina Grushevenko, Project Center for Energy Transition and ESG, Skolkovo Institute of Science and Technology (Skoltech)
- Irina Mironova, ENERPO Research Center, European University at St. Petersburg
- Michael Sipos, Independent Expert

**18:00 – 18:10**      **Closing remarks**  
**(MSK)**

**18:15**                **Reception**  
**(MSK)**

**11 November 2022**  
**Friday**

**Time:** 10:30 – 14:15 MSK/ 8:30 – 12:15 CET

**Venue:** St. Petersburg State University of Economics, Griboedov Canal 30-32, room 2041

**10:30 – 10:40**      **Welcoming remarks**  
**(MSK)**

**10:40 – 12:40**      **Ways to Sustainable Energy**  
**(MSK)**

**Chair:** Aleksey Kobzev, Kazakh-German University (DKU)

- *The Role of Biomass in the Decarbonization Strategy of Scandinavian Countries*, Hans Jörgen Koch, Independent Senior Advisor
- *LULUCF in Russia*, Vladimir Korotkov, Yu. A. Izrael Institute of Global Climate and Ecology
- *Bio-energy in the US: Potential, Challenges, Prospects*, Grigoriy Yarygin, Saint Petersburg State University
- *Sustainable Climate vs. Sustainable Energy – Aspects to Consider in Germany*, Jens Völler, Team Consult, Berlin

**12:40 – 13:00**      **Coffee Break**  
**(MSK)**

**13:00 – 14:00**      **Panel discussion**  
**(MSK)**

**Chair:** Natalia Sarakhanova, UNECON

- Hans Jörgen Koch, Independent Senior Advisor
- Vladimir Korotkov, Yu. A. Izrael Institute of Global Climate and Ecology
- Aleksey Kobzev, Kazakh-German University (DKU)
- Grigoriy Yarygin, Saint Petersburg State University

**14:00 – 14:10**      **Closing remarks**  
**(MSK)**

**14:15**                **Lunch Reception**  
**(MSK)**
